arpa 18/36 RGBW

150W, 100/260VAC, DMX512 wide-angle led profile

part # ■ 01154230 □ 01154231 □ 01154232 RGBW

Extremely powerful, stylish and high-precision wideangle LED profile featuring a state-of-the art 150W white LED module.

Arpa 18/36 includes a PWM built dimmer, which can be manually controlled from the rear panel or remotely controlled via DMX512 signal and offers a choice of 4 fade curves. It is ideal for all medium throw installations in theatres, TV Studios, schools or commercial venues where an extremely sharp beam shaping and gobo projections are a priority.

Arpa is available in 3200K and 5600K white light, RGBW and TW, in a choice of 3 finishes: black, white or silver A full range of accessories complements the range.
