

# STRISCE A LED DA INTERNO

## INDOOR LED STRIPES FLEXIBLE

Code: **AC#0380108** 5m / 150 LED

---

power connection	<b>12V</b>
power consumption m / total	<b>7,2W / 36W</b>
LEDs m / stripe	30 / 150
LED rows	1
channels	1
IP class	IP20
material / characteristics	flexible
LED color	warm white
wave length	----
color temperature	<b>3000-3200K</b>
lumen m / stripe	330-360/1650-1800
LED type	SMD 5050
beam angle LED	120°
housing color	copper
mounting	adh. tape on back
connection stripe	2 cable (V-, V+)
energy efficiency class	A
working temperature	-5°C - +40°C
cutting possibility	each 10cm / 3 LED
dimensions	5000 x 12 x 3mm

Code: **AC#0380052** 3m / 180 LED

---

power connection	<b>12V</b>
power consumption m / total	<b>14,4W / 43,2W</b>
LEDs m / stripe	60 / 180
LED rows	1
channels	1
IP class	IP20
material / characteristics	flexible
LED color	warm white
wave length	----
color temperature	<b>3000K</b>
lumen m / stripe	960/2820
LED type	SMD 5050
beam angle LED	120°
housing color	white
mounting	adh. tape on back
connection stripe	2 cable (V-, V+)
energy efficiency class	A
working temperature	-5°C - +40°C
cutting possibility	each 5cm / 3 LED
dimensions	3000 x 10 x 2mm
