FIXATION

- further details on mounting or durable protection against sun, frost and water, see at the end of the chapter
- Mounting adhesives [optionally available], tile adhesives, concrete, grout
- for an optimal mounting in combination with tiles, a flexible tile adhesive and flexible nut grout is recommended
- the flexible tile adhesive must be applied with a notched trowel
- the surface should be kept clean and dust-free and treated with an adequate adhesive primer
- and durable result
